## AID FOR REFUGEES IN SALZBURG

---

In view of the dramatic situation created by the influx of refugees in 2015/2016, we at BhB felt the need to take action, and in accordance with our "vocation" to help those in need, we were able to make a substantial contribution to the aid effort in Salzburg.

“BhB Salzburg” looks back over almost 25 enriching years, for which we are deeply grateful. Thanks to you, we have been able to give many destitute people hope, a home and a future. Many, many thanks for each and every donation, past and future, that makes our continued support possible. Thank you for your compassion, your generosity and your humanity.
